La Mountain Pompeii Porcelain Plank Tiles

These upscale porcelain plank tiles give your home the beauty of hardwood floors without all the hassle and maintenance.

Wooden floors can scratch, dent, warp, crack, and chip under the stress from traffic.

Porcelain plank tiles are very durable, easily replaceable if damaged, and never need refinishing.

They stand up superbly to heavy traffic and high moisture areas.

Elegant, eco-friendly porcelain tiles give the warm look of wood floors but offer so much more.
